CHAPTER ONE

# THE PURPLE DOOR

SOMEWHERE IN THE DEPTHS OF THE UNIVERSE,  
THREE COSMONAUTS ON A LONELY SHIP ARE GAZING AT A BLACK STAR..

Just new reflections.

Here I am, Nokia

..fear..

..or glory.

I was expecting loneliness ..

Anything but love.

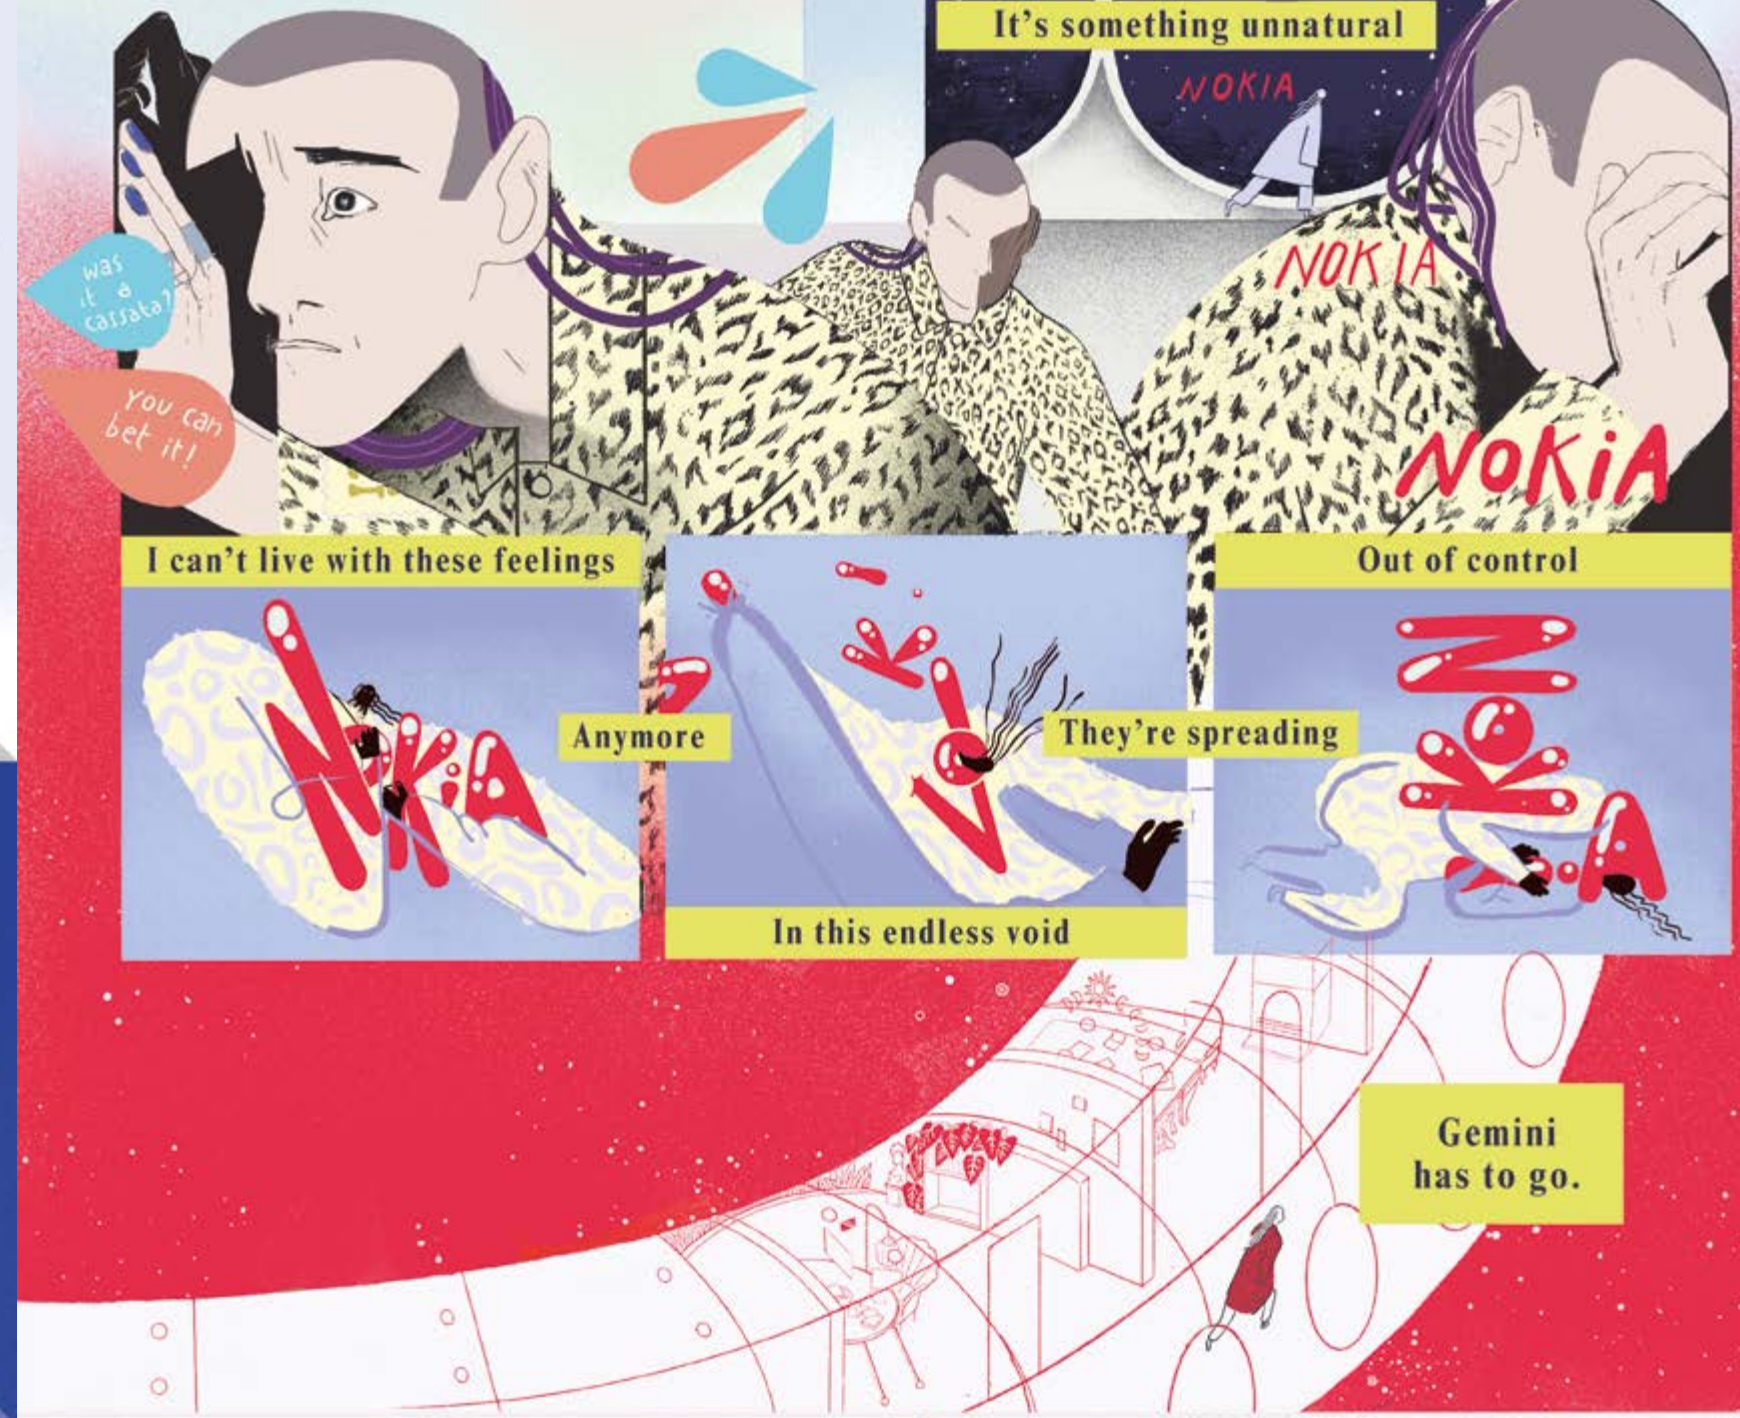

Once I left

Yet, isn't the one who leaves always searching for love?

If you ever asked me, I could.

But I love you,

and I could never imagine to take any other form.

It's something unnatural

NOKIA

NOKIA

NOKIA

I can't live with these feelings

Out of control

Any more

They're spreading

In this endless void

Gemini has to go.

What's the point in finding new worlds

If I can't have Nokia in this one?

Here

Gemini's core

Nokia

Now nothing will ever tear us apart

Gemini?

Gem -

Where..

Where are you?

Are you ok?

Gemini's gone.

I threw their core into the star.

Wait!

No!

Nok -

Nokia

Let's go home

Together you and me

Even immoral

The spaceship will destroy without me

It's irresponsible of me

You're throwing away the one who loves you most

I don't care

Nokia

I won't forget who I am with this

Even through a thousand worlds

I will find you

CHAPTER TWO  
*CELESTIAL WATERS*

ATHON WALKED THROUGH THE PURPLE DOOR.  
HE'S LOOKING FOR NOKIA AND THE WAY  
TO KEEP THEM APART FROM GEMINI...

Do you

I asked  
for?

Yes...  
... Here  
you are.

The notes of this perfume are like soft whispers, those who  
will smell its scent shall not want anything but sleep.

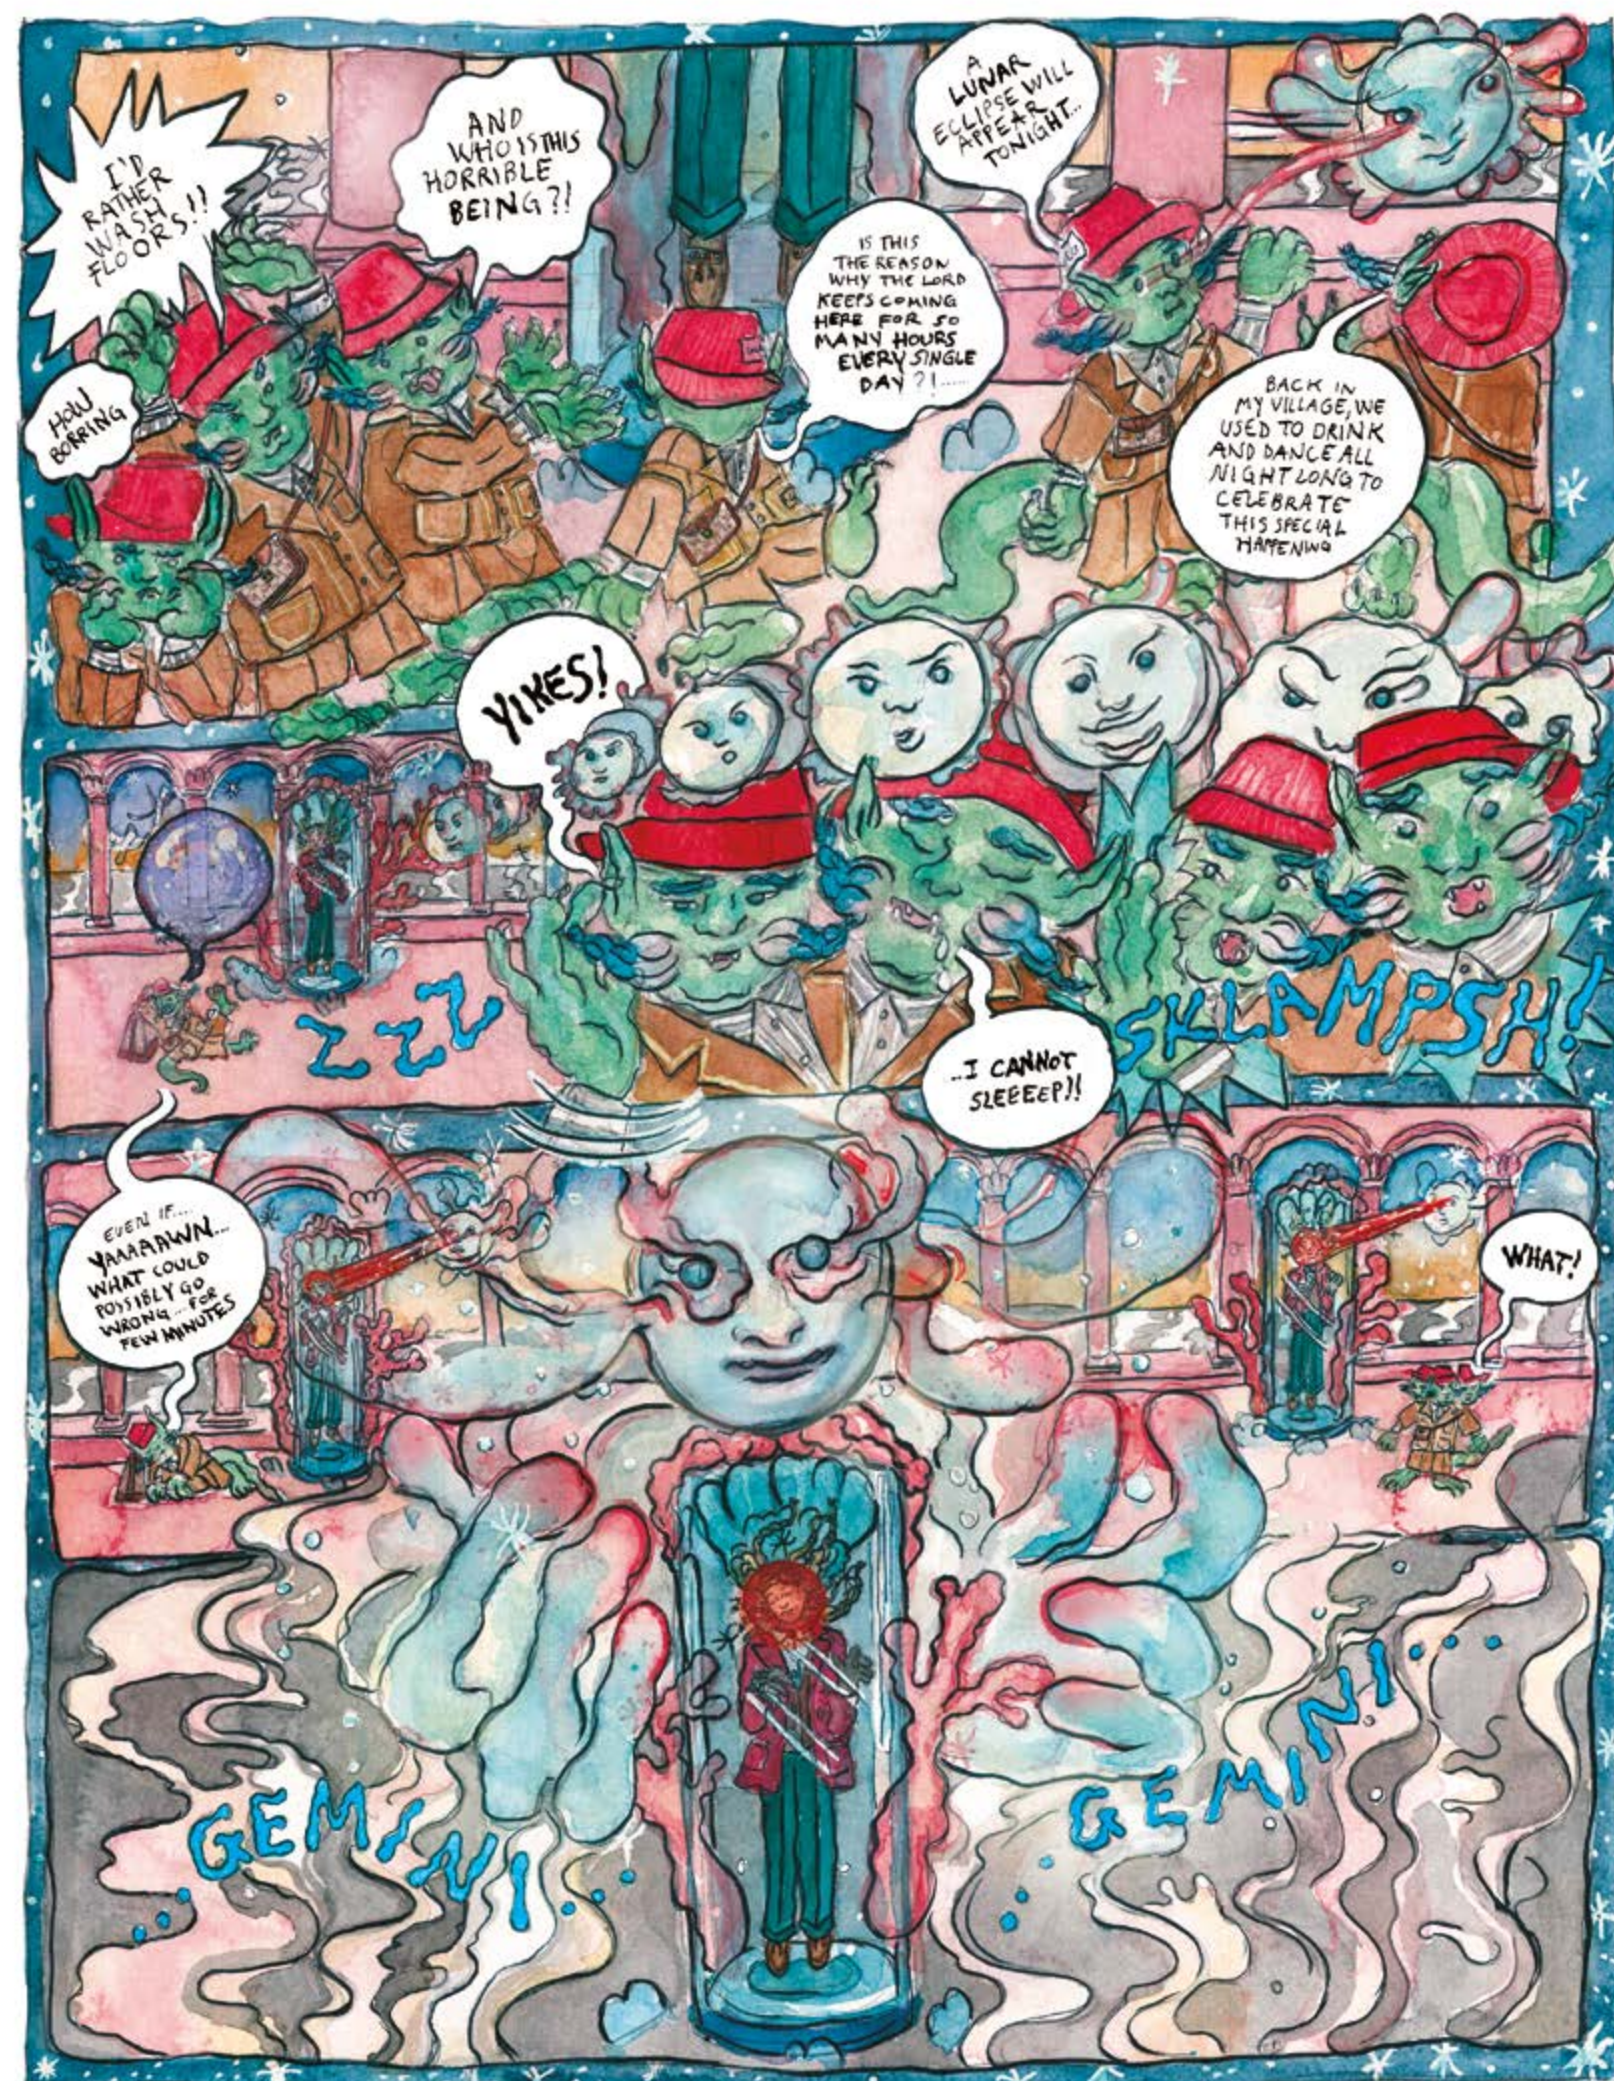

CHAPTER THREE  
*L'ECLISSE*

BUT FATE CLOSELY FOLLOWS THEM...
